Reports Adopted.

The report recommended the changes decided upon at last night's meeting of the committee. Mr. Justified moved the adoption of the report.

The report of the credentials committee was adopted without dissent and the convention next heard the report.

tee was adopted without disacut and the convention next heard the report from the committee on permanent or ganization. It was presented by Gov Morrow of Kentucky, its chairman As agreed upon, it recommended that the temporary organization be made premanent. The convention had the idea of saving time and escaping another keynote speech and adopted the motion with cheers. Senator Lodge got another demonstration when he stepped forward, this time as premanent chairman of the convention.

"The best way to show my gratitude to the convention for its action," said Senator Lodge, will be to tell you there will be no speech by the permanent chairman."

The convention acknowledged its appreciation of that with more applicable. Chairman Lodge amounced he would enforce the rule limiting speakers to five minutes and one speech on the same subject on the same day, unless the convention ordered otherwise. Chairman Lodge asked the convention what it wanted to do in the meanwhile, and there were cries of "Depew, Depew," from the floor.

Mrs. Hume was on the platform waiting to speak and some had thought the honor of first addressing the convention would go to a woman Mr. Depew walked out on the speakers' platform to an accompaniment of applause and cheers.

"He needs no introduction to a Republican convention," said Senator.

"He needs no introduction to a Republican convention," said Senator
Ladge, introducing him.
"Miracle Or Liar."

"Senator Lodge says I'm an old man, it he's mistaken," said Mr. Depew. A man down South who heard me eak recently wrote me a letter and id he heard I claimed to be only 80 ill I have to say, he wrote, 'is that us are either a miracle or a damned it."

Paul Howland, of Cleveland, O., pre-sented the report of the committee on rules and order of business. The resented the report of the committee or rules and order of husiness. The report recommended seating delegate representation in the national convention at four delegates at large from each state, one delegate from each congressional, and one additional delegate for each district in which not less than 7,000 votes have been cast for a Republican candidate at the last election.

The only new material in the rules, Chairman Howland announced, was an increase in the executive committee of the Republican national committee from 10 to 15 members and a new assistant secretary.

"Without saying so in expressed terms," he said, "this is to take care of our reinforcements to the Republican party—the ladies."

The understanding is that the additional places all will go to women.

The convention speedily adopted the report.

Mr. Denew said that the country

At that point Mr Depew could not resist the temptation to tell a story. Then in a serious vein Mr. Hepew, speaking as a veteran of 65 years on the Republican platform, prophesied that out of the convention would come wisdom and enthusiasm and that the nation "standing for the principles of

Men's hair becomes disagreeably oily and stringy and gets thinner and thinner. Women suffer with falling hair and dandruff. Their hair loses its life, beauty and

All this can be easily prevented. Plain neglect is the cause. No more care than is given the teeth will assure abundant, vigorous, beautiful hair if the care is wisely directed.

### Simple Directions

tually to fall out in unsightly quantities.

Regularly, two or three times a week, apply La Creole Hair Tonic, using the balls of the fingers to rub it into the scalp with a rotary motion. La Creole Hair Tonic stimulates the scalp circulation, supplies the hair roots with needed nourishment, and loosens the clogged dust and dandruff which brushing will remove. Do not use an inferior tonic. It is a dangerous mistake to do so.

At regular intervals, every ten days or two weeks, the hair should be washed thoroughly with La Creole Liquid Shampoo. If an excessively oily condition exists shampoo more frequently. La Creole will keep the glands and pores open and healthy and preserves the fine hair oils which make the hair soft, lustrous and fluffy. Inferior shampoos and soaps must be avoided because they leave the hair dry, brittle and lifeless. Never fail after shampooing to apply La Creole Hair Tonic.

If these rules are faithfully followed any one can have the charm which beautiful hair adds to the personality. Begin the use of La Creole Hair Tonie and La Creole Liquid Shampoo at once and notice the new beauty and vigorous health of your hair.
